Good Times at the **DREW...**

It those boys again...

As Ray always says, "You've Got the right stuff' baby, I love the way you turn me on."

We just got here and we are going to class already.

Nothing could be better
then a bunch of girls
cheering on the lax guys.

That a good looking bunch!!

The Ladies of Wilmington!!!

Goodbye 2 The Old, Hello 2 The New!

Keith it is about time, but we
do miss you.

Emily, Gina, Lori, forever long
time friends.

T.J. hungry much!

And we are out of here!!

Nothing like meeting the new
sophomore freshmen year!

Brandi taking her final walk on
St. Andrews Campus.

Nothing like a birthday party for Deuce,
without some cute girls!!

Memories that last forever.

All smiles among friends.

It is going going gone!!!

The ladies out enjoying
their night on the town.

Paul and Will are just so cute, you just want to hug them.

I am not even going to ask what ya'll are even doing.

Only VIP know how to do 80's night right.

Nick, Cliff, and Ariel
trying to act tough. J/K

Stuart the lady killer.

The only thing that can be said about this is, nothing like a good time with the friends, the smiles says it all!!

Looking good like always, nothing like a friends shoulder to lean on for good times!

*When friends
come together, it
can only mean
one thing, lots
of fun!!!*

Paul and Mark just finding
some time to hang out and
enjoy each others friendship,
while enjoying a night out on
the town.

Once again what else
would Ariel and David
be doing but playing a
game

What else can we say but
the "Slipper Rockets"
are the best!

.....

Adam and Fitz have found that a friendship can make a lot of memiores and that is just what they did.

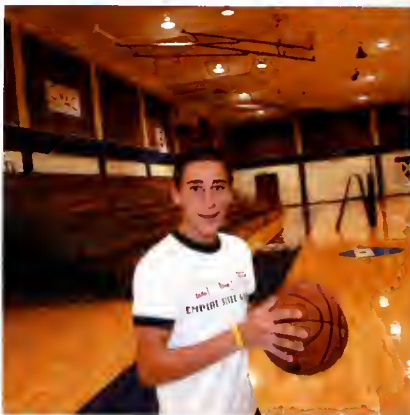

It looks like Rommie has enjoyed his time at school playing his recycle bin game.

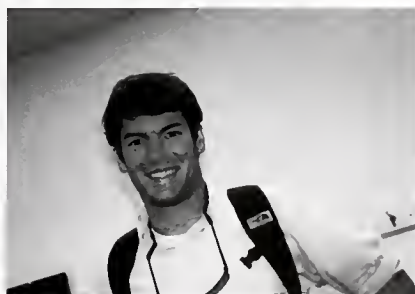

Tiffany and Jenna being well Tiffany and Jenna, it is good to see that things never change.

Linzy and Karen have found to be long time friends with memories that will last a life time.

Headshot...Seniors... Everyone Else...

Senior...We payed
our dues...now we
are through!!!!

Faces of St. Andrews

Boucher looks as if he is enjoying himself.

Can you feel the love in the air?

A match made in heaven.

Anyone up for ballett?

Nice smile!

Chance looks as if we caught him off guard.

Now that is too cute, Katie and Tiffany friends forever.

The crew, with Ryan taking the picture!!!

Look out they are coming from everywhere, but it's all good nothing but fun.

Where would you
want to go if you
just wanted to get
away...a lot of
students here
would say
Brunnenburg!!!!

Now he can play, nothing like the real thing!!!

Talk about living it up, yes
that is where they lived!!!

Not all play, there is work in
there some where, I mean
what a great place a Wine
Vineyard.

All the Ecuadorians, enjoy their time and at school and help others learn more by being part of the Spanish club. Marco, Rosoana, and Daniela enjoy their time in Raleigh and find it funny to scare people as well.

Let's talk about
those that come to
us, say "Hello" to
those from
Ecuador!!!

Daniela found time to get away from school, and enjoy her fall break in New York.

What a good looking group of fine Ecuadorians.

Carlina, Daniela, and Marco enjoy some time in Wilmington.

Nothing like showing off a great smile, to show that you are having a good time.

Lets not forget the sports part of the school were can go and support your Knights in all sports.

Once again it is that work thing, and Ashley you look so smart.

Just one of the many events going on around campus you can always find at least one good comdien.

Good times around
St. Andrews, you never
know what you might
come across, just remem-
ber it is not all play!!!
Even though it makes for
some good times.

Kayla and Laruen have made some great memories together being roommates.

Like I said not all play, but nothing better then going to class and learning great things from Ron Bayes.

Terrell and Jammie have found that they are great friends.

Not much we can say for Karen, Mandy, and Linzy, but that they always have fun when they are together.

Adam shows off a great smile, letting us know that everything is going good for him.

Nothing like some good talks outside the dorm, to just get your mind cleared.

Nothing like your girls and Adam to have your back when you want to have a good time, and just chill out.

Kara remembers when....

Come on Krystel why are you on the phone when you have company.

Smile Mandy you are with your friends.

Horses are always good friends to have around when you just need some down time.

Kat and JB find that it is easy to make friends when you live so close to each other.

Nothing Like Hanging Out 4 Some Good Times!

Good friends are hard to find, but it looks as Jake and Bryson have not problem with it.

Love is in the air!

Two of a kind!!!

Picture perfect!

I am so cute!

Matt is just so cute in his P.J's.

We can't get
enough of
everyone's
pretty face; so
here are some
more

Kelly and KY doing what
they do best, being funny.

Now who would not love that cute face
that Adam gives us?

Jon is all smiles as he usually is!

Another very cute face around St.
Andrews, Jesi looks happy I would have
to say.

Nothing like getting out with the group for
a good dinner!

Memories that are
just 2 Good 2 Be
4 Gotten about!!!

We can do it all at St.
Andrews, but most
importantly we know
how to have fun.

Kris and Emily are just to cute,
and all smiles at the video dance
party.

I just like this picture!

When the good times go off campus...

Take the good times to the beach for a few hours!

Anthony and Brad enjoy themselves at Jerry's.

Where else would Kat be wearing a big smile, but at Jerry's.

Where else would all the girls be but at Jerry's.

Where do John and Adam find their fun but on the golf course.

It looks as if Shona, Kelly and Dan are having fun at Jerry's.

Zach gives us the OK that he is having a good time.

Good friends are just hard to find!

J.B. and Mandy find it easy to make each other smile.

Those are some true friends, right there.

n't we all just get along?

NOTHING LIKE FRIENDS TO MAKE YOU HAPPY!!!

Kyle, Tippet, and Ray find that they can have a good time while hanging out on the weekends together.

Adam and John find that they can also make each other laugh without a problem.

You tell me Tippet, I just don't know what to do say.

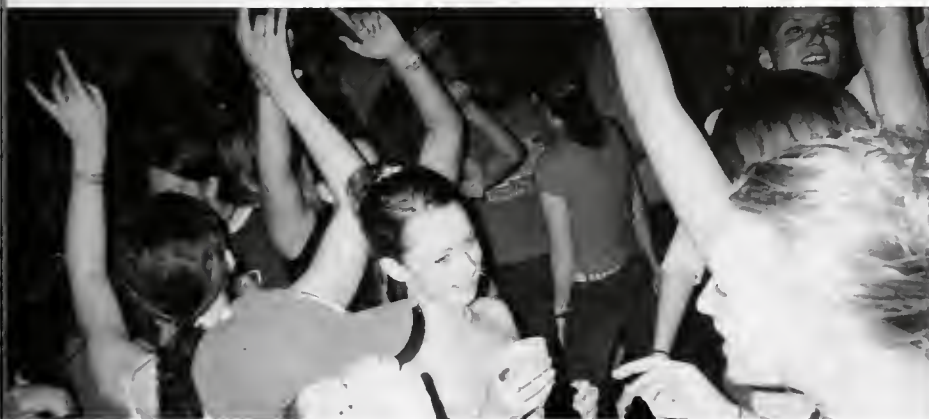

Band gives 3 cheers, to Red Bull!

I don't know what to say,
you figure it out!

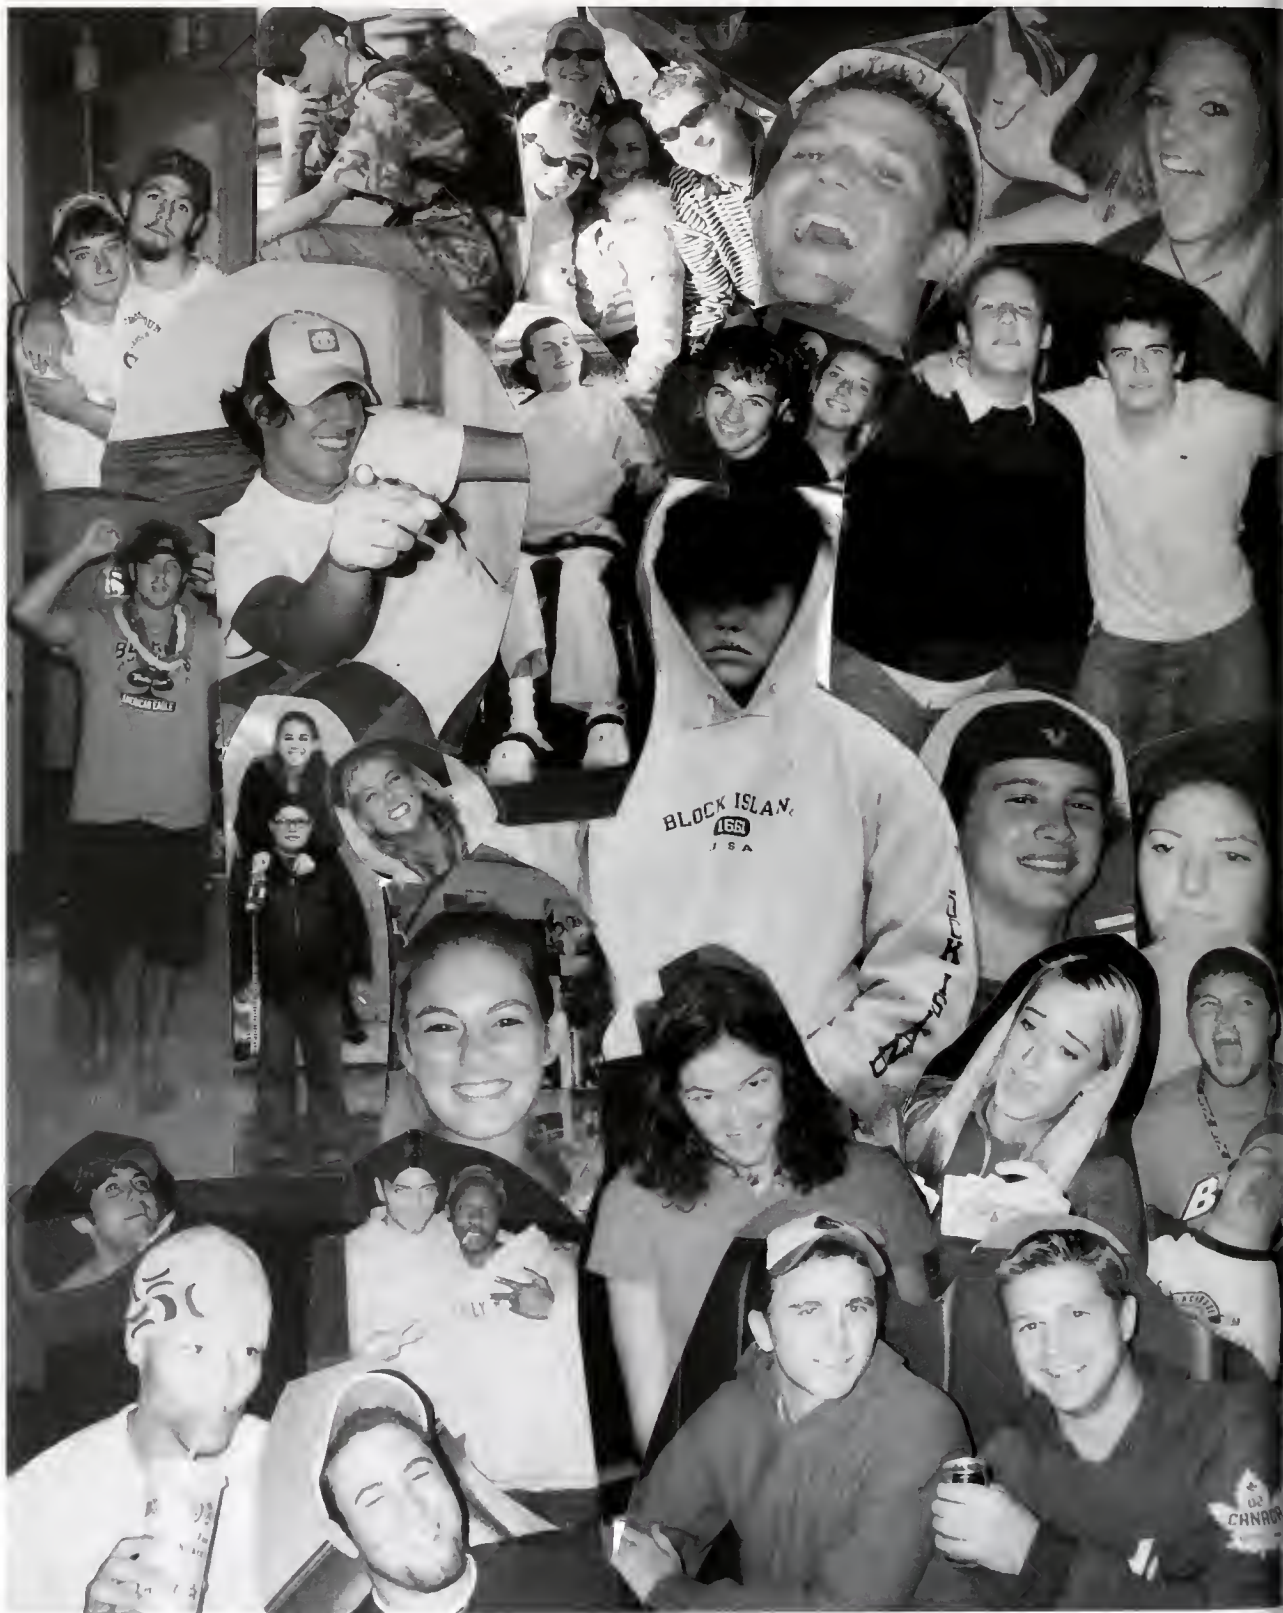

I am going for roommate love, I
just don't know what to say.

Hands up if you are having a
good time at Air Band!

Another picture that you have to
ask Erin and Ashley.

Call of the Wild: Ripley's in Myrtle Beach, and High Ropes Course.

Come on in the water is fine.

Nothing like group work!!

What a beautiful day!

Almost there!!!

Thumbs up from Myrtle Beach...

We just are not going to ask, and leave it at that...

Tippett and Hartzell hanging out in their favorite place. Orange!!!!

After a night of partying in Orange, Allie finds it nice to just chill and recover from the night before.

The ladies enjoying a game while hanging out in the courtyard with their friends.

Lean Back, Lean Back!!!

Where can the party be found on the weekend ORANGE!!!

Wow take a step back Katie and Tiffany B. out and about in orange, we never saw it coming.

KY looks on as he wonders what Hess is thinking, and why Tiffany F. is smiling and laughing so much.

Only St. Andrews can have a place like Orange, where no matter what day of the week it is or what time it is, you can always find someone to talk to or hang out with. Lets get the party started!!!

Right across the page you find the other recovering buddy Allie, so Murmur finds time to take it easy as well also thinking about the night before.

Come get LEID!!! LUAU

Looks like a great group
doing some pre-gaming
before LUAU!!

Drew what more can we say...

Look at that fine young
gentlemen!

2 Ladies what a lucky man!!!

GET L-E-I-D!!!

Stacy looks like she is ready 2 go!

Bob, Ashely, and Hess know how 2 get this party started.

2 Hotties striking a pose!

Three lovely ladies enjoying the night. 2 Lifeguards 2 the rescue!!

That is a lot to hold on to, but it looks as they are both enjoying it, with Adam as a personal trainer, and with Kristen there to keep him going I would have to say things are going, good for them

Halloween, where it does not matter what you are...as long as you are having fun..well almost anything...

Nothing having good old Mom Emily to watch out for Maggie and Kat.

It's those girls again, but you have to question, what were they thinking at the time. I would have to say it was done VIP & LLPT style..

You know we never ever question the guys at our school. they will wear anything that is around, and lord only knows what they were going for.

Nothing like a good group of girls ready for formal. Everyone cleans up so nice.

Kelly how do you do it, get all the girls, as Smooth looks on and tries to figure out just what he is doing to get everyone

St. Andrews cleans up good for Formal

Over the past few years I have been to some great formals here, making for some of the best times, makes for nights that will never be forgotten. But I have to say that the formal this year tops all the others. It was full of fun times great music, a lot of people, and best of all it once again was a way to raise money for AIDS benefits across the world. It is always fun to get dressed up and go out and have the time of your life with your friends, you did it in high school, the only thing that makes this better is while having fun you are helping a cause. Way to go St. Andrews. Formal was great this year. It goes down in the book as a night to remeber. Way 2 good 2 be 4 gotten.

It looks as if the girls are ready to show the guys just how to get out and have some fun.

I would have to say that it looks as if Dan, Kelly, Dustin, and Scott are having a great time.

Girls you look great, way to make formal a good night.

Look at Stephen work the crowd she really knows what she is doing.

Oh lord it those boys, and they really know how to get up on stage and sing their way through anything.

Best part of Air band everyone gets into it and ends up on stage, no matter if you planned on it or not...It looks as if everyone is having a good time...

River dance anyone, I am telling you Mike you did a great job, as well as all the other horse back riding guys. Great job!!!!

Dance moves are always an important part of any performance that you do.

AIR BAND 2 Good

What is the next best thing besides formal and Ganza...Air Band...It is the one party that lets you know you are almost done, and the one time you get to show off any talent you have....

I am telling you there are some that just have some of the best talents, and they showed them off great that night.

More Random Pictures!!!

Maggie and KY are all smiles for Deuce's Birthday.

Nothing like a hug from a friend!!! I love this picture!

Just 2 darn cute for words!!!

Wow Will!!!!

Dan and his purse, he is ready to go for a night out.

Pete and Jon doing what they do best, sitting around!

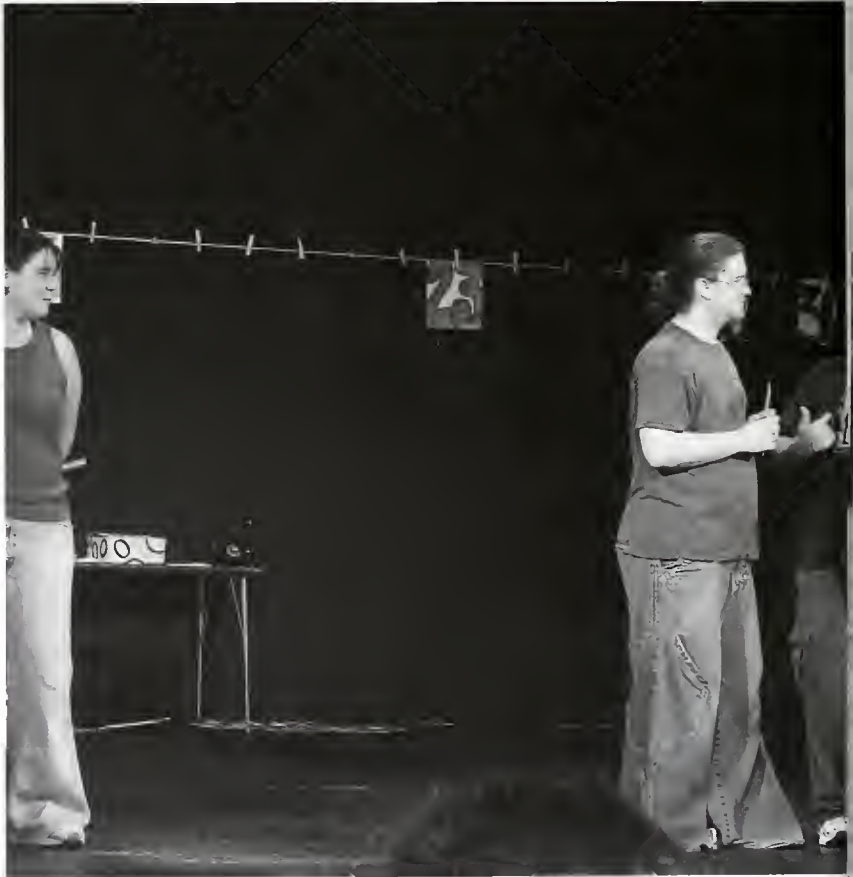

On the count of 3, you will be going under,
1, 2, 3....

As you were saying, this is a lovely story
you have here, but I just don't understand
where your feelings are coming from

Don't shoot I will do whatever you tell
me to do, just please don't shoot....

Are you getting what I am saying, it is just
that easy, I promise.

It is okay to cry it is not going to hurt you, but if you want to laugh that is okay as well.

Anyone want 2 go 2 see a play?

Over the past few years I have watched some great plays, but this year it was done above and beyond the call of duty. Good Job everyone!!

Listen to me, look up, I am talking to you, why won't you listen?

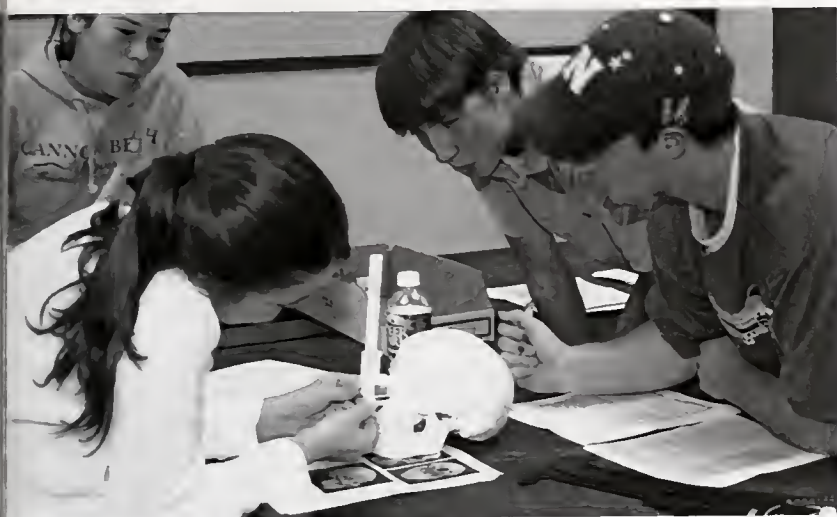

OH great another day of class, but
the walk can be fun with friends.

What is going on around campus ?

Professor Dotson doing what he
does best helping out a student.

Forensic Science students
enjoy their time in the lab.

Let the day begin!!!

VOLLEYBALL 2004

It as been a fun 4 years, and I have enjoyed really getting to know so many great players.

-Nickk

I was a little worried about having so many freshmen coming in, but in the end it was well worth the fight.

-Jesi

I have really enjoyed playing with so many good players, and have learned a lot from them.

-Tirzah

We are all good here.

Katie and Nichole find some time to enjoy themselves outside of school. Good times.

They are just too cute not to put them in the book.

It is nice to have everyone as a friend.

I love this picture of Casey and Nichole.

Nothing like giving tours to upcoming freshmen.

More pictures, I don't think you can ever
get tired of looking at them!!!

I promise I am a
very good girl, so
Karen shows us
here.

Smooth is all i
have to say,
nothing like a Polo
boy .

Good times had
by all at Air Band.

Paul and JB are
way to cute.

Just for you guys.

You know you just can't stop yet...

Look at us!

I am having fun, but are you..

Video Dance Party bring out the best in people, as it does for Erin, Cole, and Emily.

All smiles here.

Nothing like having your friends around to cheer you on at a horseshow.

Nothing like a fun Stats lab, to make your day better.

Ashley enjoying another event around campus.

T.J. and Bill enjoying a nice day outside.

If you laugh any harder you might fall over Chris.

This is the best I can do,
you can fill in the blanks
if you need to. Just good
times is the best I can do!

2 Good 2
Be
4 Gotten

Ganza makes for some good times, nothing like playing in college.

Jon and Adam can't get enough of each other. If being roommates was not enough they hang out together all the time.

Hess looks as if he is having fun with all the girls, or he just looks shocked.

It looks as if Smooth, Tori, and Maggie are still smiling about this picture.

Coming to the end of year, it
does not mean everything
has to
stop.

My girls are just so cute!!!

Nothing like watching Paul and Stewart learn a dance for gym class.

Zach, Michelle, Adam, and Jesi are having some good times, and will never forget these moments.

Riders clothes are always the best out there!!!

It looks as if Sarah had a good ride for the day.

All smiles with horse in hand.

Nothing like a good ride
for the day...that is the
way Horseback riders do
it best!

I got my riding helmet and my jacket on,
now I am just waiting to jump on and do my
stuff.

Jackie, keeping a proud eye on her
riders.

What makes our school so differ- ent.. Our Pipe Band!!!!

Terrell, Gwen, Rothy, and Eug, find
some time to play around during one
of their many competitions.

Band is not all work, as you can see
Beth Ann finds time to laugh and enjoy
herself.

Our band..looking so good.

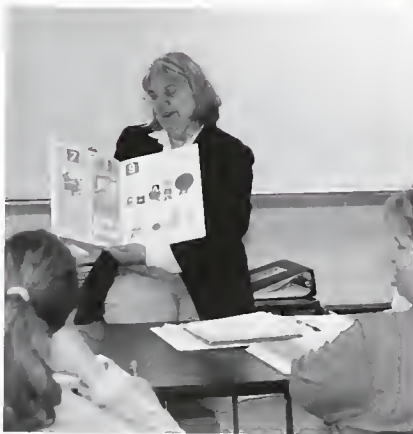

No one looks better than Matt!!!

One of the best things about band are the friends that you make, just as Carter and Rothy find themselves becoming very close friends.

Sandhills Campus...

Our other half!

Editors Note

I did it, or I should say we did it, the yearbook is done, and I am very proud of it, I hope everyone enjoys it as much as I do. I would like to say a Special Thanks to some people before I close out so here it goes:

Melissa Hopkins: I would like to say Thank You for everything you did, it was because of you that I made it through this year. You believed in me and that helped a lot.

Gray Greene: Thank you for getting me started and being behind me so much.

Chris Siefken: Thanks for all the help on the computer stuff, you know I don't know much about them.

Campus Safety and Security: Thank you for all your help with the student ids I know they were a pain.

Al Bardi: For putting up with me as a workstudy during the crazy times of the yearbook deadline.

To everyone on campus that helped me out in so many ways, I can't name everyone because everyone believed in me, and it was because of ya'll that it helped me move a long, I can't thank ya'll enough.

To my friends, ya'll have been there for me more than once, thank you for all the pictures they look great in the yearbook, and it made for some great memories for my final year here at St. Andrews. I am really going to miss ya'll just remember that we only do it VIP and LLPT style, and we have some of the best times during those moments. I love you girls so much.

I have to give a special shout out to three girls that have been there for me over the past 4 years. Ashley, Casey, and Nichole you girls have made a difference in me and have made my school years great. We might not have always been close over the 4 years but I have to say that we ended out 4 years as strong as we started them. I love you girls so much, we have memories that will last a lifetime.

Stacey: Thanks for doing pages 84-85, and the one right next 142 they look great.

I want to say Thank you to some great guys that made my Friday nights some of the best that I could ask for, ya'll are the best and I love ya'll you know who you are.

J.B.: This goes to you for being a great neighbor over the past two years, waking me up in the morning, to just say "Hi," or get something to drink. I love you, I am going to miss you 2 Paul.

Mom: For listening to me cry so much about the yearbook.

I just want to say that I have learned a lot from this yearbook, and it really challenged me over the past year. I didn't think I was going to be able to do it, but I did and I am so happy. I have learned that you can't do everything, on your own, and you are always going to need help in some way. I could not have asked for a better group of friends, and a better group of Professors. Thank you to everyone for making the past 4 years, some of the best years of my life, and I have made memories that are "2 Good 2 Be 4Gotten." And I am out of here....

We Are The Mosai

The Great Hand that forms birthed Fresh-Men and Women
Onto the rumbling gravel in front of the L.A. Building
Slipping and squirming in their after-birth.
Courses commence and quickly crackling embers conflagrate,
Providing temperature and pressure for change
This wet child riddled in nature's essence is transformed
From a shapeless amoeba into a pounded out sphere
Prepared to role down the road into the realm of structured society.
A civilized world is prearranged,
Guidelines take precedence, the *Saltire* and the *Ten Commandments*
Are the banner and pillars for excellence.
The pursuit of growth is founded in scripture of all types.
Allegiances are made and the novoice pubescent
Now forges in a direction to attain a purpose.
In the purpose sought, a professional is born,
Wielding the pen, book, abacus, or palette.
The banner of a resurrection is raised high
As tribulation teaches ascension in the midst of circumstance
And perseverance through pediments
The torch is then passed from the now experienced
To the new tot still sucking on their hand fed pabulum.
As the fire is passed to another
The skill to wear many hats at a time is taught.
To carry a book and wear a Laurel Wreath become expectation.
As our Alma Mater plays the tradition of the ol' school hymn
Mirrors as much relevance as the wall of free expression.
The world revolves on its axis as oxidation takes its toll,
The Cranium grows. Infants become adults
Nucleotides grow to deoxyribonucleic acid forming our genomes.
The sword rules and the scale of power shifts
From the communications Office, to Admissions,
To the Business Office, to the Office of Student Affairs, to CPU service, to the S.A. Press,
To Sandy Hills flowing over, to the Board of Trustees
To the milestone of understanding which is reached
While the world is in the palm of human hands,
All existence is in the creators.
Commencement makes a fashionable entrance,
Gracefully departing, and the cycle repeats itself.
Beyond time, causality, space, in the darkness there is light
That light is what we are bound by.
